FONLAD #07_2011

O Festival on line de Artes Digitais chega à sua sétima edição. Enquanto projecto eminentemente virtual, desde o seu início promoveu exposições físicas complementando as mostras virtuais na internet. Desde 2005 foram já realizadas várias exposições que se caracterizaram por uma mostragem bastante diversificada de tecnologias, desde a fotografia “corrente” à manipulação digital, do vídeo à animação, da performance à instalação multimédia: *Galeria Tesouro*, Madrid, 2005; *Fundação Bissaya Barreto*, Coimbra, 2006; *Quarteirão das Artes*, Montemor-o-Velho, 2007; *Bienal da Madeira*, Funchal, 2008; *MIDAC – Museu Internacional e Dinâmico de Arte Contemporânea*, Belforte del Chienti, Itália, 2009; *Galeria de Arte do TMG*, Guarda, 2009; *Galeria Ícone*, Coimbra, 2010; *Espaço Rosa dos Ventos*, Montemor-o-Velho, 2010; *SituArte*, Pátio da Inquisição, Coimbra, 2010, *Bienal do Porto Santo*, Centro de Congressos, Porto Santo, 2011. Paralelamente foram apresentadas mostras virtuais na *Web Bienal 07*, Museu Arte Contemporânea de Istambul, 2007; *New Media Fest*, Colónia, 2007 e 2010; *Web Fake Festival*, Web Art Center, 2010; *Non Biennale*, Web Art Center, 2010 e UAVM Virtual Museum 2008-2011.
